ANGELS 101 (PAPERBACK)

Hay House Inc, United States, 2014. Paperback. Condition: New. Reprint. Language: English. Brand New Book. Do you have a book about angels for someone who’s a complete beginner? Doreen Virtue frequently heard this question at her workshops, so she usually directed audience members to her book Healing with the Angels. Yet she realized that even that work is a bit advanced for newcomers. One morning when she clearly saw and heard the title Angels 101, Doreen knew that the angels wanted her to write a basic primer on the subject of these celestial beings. With beautiful full-colour illustrations throughout, this is the perfect book to uncover the amazing angelic realms. So, this book is the result of that angelic directive: a non-denominational overview of who the angels are; their role in various spiritual texts and religions; the ways that angels help us and how to call upon them; information on guardian angels and archangels; and frequently asked questions about the angels. No matter where you are on a spiritual or religious path, this book is sure to deepen your understanding and love of the angels - and it makes the perfect gift for someone new to these concepts!
